Our Obeying Drug Laws Protects You From Harm

Most of today's prescription medicines can be depended upon to produce a desired benefit. That is why no serious condition should be left to your physician. Your physician can prescribe medicines which can cure or give relief from distressing symptoms. Because some drugs are very potent, there are laws regulating the prescribing of a new prescription from the physician. Others can be refilled as often as the physician specifies on the prescription.

We obey these laws. They are for your benefit. Your health comes before profits. When you ask us to refill a restricted prescription we will be glad to phone your physician for instructions. Whenever he directs, we will do.

A great many people entrust us with their prescriptions. May we compound yours?

Vermilion-Mannville Men on Staff Farm Credit Corp.

The Vermilion-Mannville district can be proud of their contribution to the Alberta staff of the Farm Credit Corporation. Mr. W. C. Gray, Alberta Branch Manager, states that there are thirteen former staff members of the Vermilion-Mannville district serving the Farm Credit Corporation in various capacities. These include: Mr. C. R. Lettich, who has been in the service of the Farm Credit Corporation since 1941; Mr. R. K. Chalmers, who has been in the service of the Farm Credit Corporation since 1941; Mr. J. Whitman, who has been in the service of the Farm Credit Corporation since 1941; and Mr. L. W. McLaughlin, who has been in the service of the Farm Credit Corporation since 1941.

PLANNING FOR PARENTHOOD
(Continued)
Expectant mothers need to avoid getting overtired, as a balance between rest and activity is important. Eight hours of sleep at night is a good goal. During the morning or afternoon, rest periods should be taken. To relax, the mother should avoid the early stages of pregnancy, as the body is still adjusting to the new life. Go ahead! Choose a savings plan at Toronto-Dominion. We'll match it with life insurance!

Assured savings plan

Put yourself in a five year savings pool. It could be as little as \$400. Or as much as \$5,000. Your convenient monthly deposit can range from \$10 to \$400. Whatever savings goal you set for yourself, that's the amount of life insurance protection you have, for five years, from the minute you make the first deposit in your Toronto-Dominion Assured Savings Plan. This is the Assured Savings Plan.

Joint Meeting Discusses Indian-White Problems

On Friday evening, February 10, a large gathering assembled at the Buffalo College school to participate in a joint meeting of the Indian-White problem with Mr. Jim Stenhouse and Mr. Horace Jackson from the Buffalo College Indian Reserve, the Rev. John Brown from the Indian Mission, and Mr. Ernie Schumann, lay supply minister at Vilna.

For a more intimate discussion, with one guest from the reserves to answer the questions under the auspices of the Indian-White problem, a committee was formed. There Is No "Next Time" For Us
Canada is now well into its Centennial Year. It will be a year of hope, of joy, and of trust, of thanksgiving.

The Centennial Commission has asked that everyone have a "Centennial project" of their own to record the events and provide a permanent record on a national, provincial and community basis and by various organized groups.

There is no time like the present for getting cracking on your own project. There is no time like now to offer your support to local Centennial projects. There will be many more days during 1967, including the visit of the Confederation Caravan, the Voyageur Canoe Pageant, that young and old alike should visit and take part in. Lots of things to see and lots of things to do.

Canada is attempting the largest national celebration, spread over the longest time and the greatest physical area that any nation has ever attempted. There is no "next time" by which the planners could wait. Once again Canada is pioneering.

As we celebrate our nation's 100th birthday, let's do it right the first time. With as much spirit as we can muster. After all, it's 100 years to the next Centennial. It's unlikely any year will be as grand for a second try.

Noted Social Worker
Work at St. Jerome's

Catholic Charities, Inc., Eastern Division, New York City and the Archdiocese of New York have announced that the Rev. James J. O'Connell, S.J., has been named as the new director of the social work department at St. Jerome's Hospital.

O'Connell, who was born in New York City, received his undergraduate degree from Fordham University and his master's degree from the University of Notre Dame. He served as a priest in the Archdiocese of New York for many years before coming to St. Jerome's in 1968.

O'Connell will be responsible for the day-to-day operations of the social work department, which provides services to patients and their families. He will also be involved in the development and implementation of social work programs and policies.

O'Connell is a member of the National Association of Social Workers and the American Psychiatric Association. He is also a past president of the Catholic Social Work Association.

O'Connell will be working closely with the hospital's medical staff and other departments to ensure that social work services are integrated into the overall care of patients.

O'Connell will be based in the hospital's main building, where he will have access to all of the hospital's resources. He will be available to meet with patients and their families on a regular basis.

O'Connell will be starting his new position in September. He will be replacing the late Rev. John J. O'Connell, S.J., who served as the director of the social work department for many years.

O'Connell is a dedicated and experienced social worker who is committed to providing the highest quality of care to patients and their families. He is excited about the opportunity to lead the social work department at St. Jerome's and to continue the tradition of excellence that has made the hospital a leader in its field.

The Alberta Reserve Rail Bridge over Shany Creek at Mile 114.5 is reported to be the longest steel bridge in the world. It is 1,145 feet long and 114 feet wide. The bridge was built by the Canadian National Railway Company and is owned by the Government of Canada. It is a single-track bridge and carries the main line of the Canadian National Railway. The bridge was built in 1914 and has since been expanded and improved. It is a fine example of early 20th-century engineering.

Kinsmen Midgets Beat Edmonton Team Twice

Vermilion Kinamen Midgerts handed a thirteen unbroken Edmonton Double "B" Team two defects over the week-end, 71 on Saturday and 93 on Sunday. The Edmonton team, the Grandview Edmontons Midgerts, gave the local boys plenty of opposition keeping them with a close battle. The

This makes a total of ten games against five Edmonton in the nets by Jim Williams. In turn suffered a badly bruised

Scoring in the Interstate game was by Bob Miller 2, Ernie Yermolenko 1, Don Cameron 1, Frank Kash 1, Ron Main 3, Sammie Ervin, Wynn Johnson, 3, and Jimmie Johnson, 3. The money paid was scored by Don Crawford from Dale Crawford 1 and by Ernie Yermolenko from Roger Baper 1 and McCall and Johnson. Don Crawford scored 100% from Cameron from Baper.

For Vermilion scoring was by Don Cameron 1, Ernie Yermolenko 1, and Wynn Johnson 1 from Main and Jones.

On Sunday Edmonton sharpshooters were Roper from McCall and Johnston, Don Gray

The United States Pharmacopoeia, called the "U.S.P." and the National Formulary, called the "N.F.", are the two basic official books which specify the standards of strength and design for drugs and their combinations. Pharmacists must completely know the contents of both these books.

And, of course, you also specify those drugs which require extra care to protect their potency, as in the case of penicillin, which must be kept and be exposed to light or heat. Others are dated and cannot be used after a certain time. Between and outside the U.S.P. and N.F. are many other books. Every year, we study and file information about the new drugs.

Capital Report

NEW DEMOCRATIC Premier Joe Clark, 47, of the Progressive Conservative Party, has been named as the most likely successor to Prime Minister Mulroney, took most of the line.

Mr. Turner's views have been made public in his candid and forthright manner, and he has been seen by the media as the one to lead the house, including the other opposition members. But the Liberal Party's new leader, Jean Charest, has also been seen as a potential successor of the support of the opposition.

CANADA'S FIRST

The secretary of the edge of the appointment of Canada's first ombudsman.

For the \$20,000 a year job, A. J. McLean, a former Liberal MP, will deal with the and come up with the name of RCMP Chief Commissioner McLellan.

Two, Three, Most Dangerous Ages

The most dangerous ages of children are at two and three years. The late afternoon and evening hours are the most dangerous times for children to be out alone.

This information comes from the National Safety Council of Canada which, with the Canadian Highway Safety Council, is sponsoring a campaign to educate parents on the dangers of children's behavior.

May 7, Canada's National Child Safety Day on Sunday, May 7, is a day when parents and governments from coast to coast will participate in the promotion of the campaign.

"Child Safety Day," said C. E. Carson, President of the League, "is designed to emphasize the day's need for the proper training of children in living safely. This training must start early and never let up if we are to reduce the dangers," of our children in Canada," Mr. Carson pointed out that in 1966, over 15 million, and every five minutes some child is injured.

"Almost all of these horrible incidents can be prevented," said Mr. Carson. "Parents must be responsible for the upbringing of children to put a stop to this needless slaughter of the innocents."

RED CROSS YOUTH

Members of Red Cross Youth are now accepting applications for the 1967-68 season. The Red Cross Youth is a program for young people aged 15 to 25. It is a program of the Canadian Red Cross Society. The program is designed to help young people develop their leadership skills and to provide them with a variety of opportunities for personal and social growth.

For more information, contact the Red Cross Youth office in your area.

WILDMERE WINKS

Bill Winkler, a well-known local personality, is the author of a new book titled "Wildmere Winks." The book is a collection of humorous stories and anecdotes about the people and places of Wildmere. It is a must-read for anyone who has lived in or visited Wildmere.

The book is available for purchase at the local bookstore.

Town of Vermilion ABOUT GARBAGE DISPOSAL

Co-operation is asked in the use of the old nuisance grounds. Please dump in the pit only. Help keep this area ready for closing out which is expected to be soon after June 1, 1967.

The new disposal grounds will be in the old government gravel pit north of the Vermilion River. Signs will show how to get there when it is ready for use which is expected to be soon after June 1, 1967.

Anyone who litters any street, lane or roadway in transporting waste to disposal grounds may be prosecuted.

Anyone disposing waste anywhere other than in authorized disposal areas may be prosecuted.

The Council and Town staff solicits the help of all citizens in keeping streets clean and disposal grounds orderly.

AALBORG FOR ALEXANDRA

The program of your Social Credit Government have brought many benefits to the people of Alexandra.

Improved highways, roads and bridges are important features of these programs.

During the four year period 1962 to 1966 your Social Credit Government spent nearly \$5,000,000 to build better roads and bridges to serve the residents of Alexandra.

County of Vermilion River No. 24 By-Law No. 1424

A BY-LAW concerning the issuing of permits to

WHEREAS it is deemed to be expedient and advisable and in the best interests and conservation that the Council establish a system of permits for the purpose of controlling the burning of stubble on land within the County of Vermilion River No. 24, and

WHEREAS Section 11 of the 2nd Conservation Act (Chapter 94, Statutes of Alberta 1923) authorizes a Council to establish a system of permits to control the burning of stubble on farm land;

NOW THEREFORE the Council of the County of Vermilion River No. 24 enacts as follows:

(1) The Council, through its said Conservation Officer, may issue a permit for burning stubble on land provided that the applicant for the permit complies with the requirements of the Conservation Officer acting in accordance with the instructions of the Council or the Agriculture Committee of the Council.

(2) The said Conservation Officer may issue a permit for the burning of stubble for a period of time within the limits of time as may be established by the Agriculture Committee.

(3) The said Conservation Officer may, at his discretion, suspend, revoke or refuse to issue a permit issued by him.

(4) No person shall burn any land within the County without first obtaining a permit issued pursuant to this by-law.

(5) Any person contravening any of the provisions of this by-law is guilty of an offence and liable to the penalties set forth in the said Conservation Act.

(6) This by-law comes into force on the day on which it was passed.

DONE AND PASSED in Council this 18th day of December, A.D. 1946.

W. A. GREGG, Mayor
A. R. KAY, Secretary-Treasurer.

Pedal Pusher Clubs Grow In Number

"Pedal Pusher Clubs after people their best time for riding their young cyclists in the riding clubs," said Mr. Steve Chabley, Chairman of the Alberta Safety Council's Pedal Pusher Committee. "There is still time to organize new clubs, although interest groups should hurry."

Formed through a larger than usual number of Pedal Pusher Clubs now being organized this spring, the Safety Council sent forms to request from community groups for information on how to form new clubs. It is hoped that many more groups will be formed in the near future.

"Twenty-seven of the registered clubs have already received complete sets of training materials for the 427 children they will be handling."

There have to go about it," said Mr. Chabley.

Let's Make It 90 Per Cent

An opportunity for some excellent publicity lies within the grasp of Vermilion people on election day. This requires very little effort, sending only every person on the voter's list to turn out and cast his or her ballot on election day, Tuesday, May 23rd. In the last provincial election in June 1963 there were 1728 names on the Town of Vermilion voter's list. Of these 1779 cast their ballots, a percentage of 68. This means that there were 356 people who did not vote.

If the number of voters could be increased to as many as 90%, previous wide attention would be focused on Vermilion and the resultant publicity would be very much increased. This could be a personal potential project whereby each voter makes it a point to vote and to remind at least one neighbor to visit his or her ballot.

Vermilion constituency in 1963 there were 6845 names on the voters list, with 554 casting ballots for an average of 69.5%.

Old Age Security and Guaranteed Income

Canadians celebrating their sixty-sixth birthday during Centennial year should make application to receive their old age security pension at least six months in advance of their birthday.

Payment is not automatic. Application must first be made. Forms are available from post offices or by writing to the Old Age Security Office in provincial capitals.

Help in preparing the application forms for the non-structured income supplement is as close as the nearest Alberta Welfare Office.

Report On Taxation

On February 24, 1967, the Royal Commission on Taxation was released. Four years and five months after being set up by Order in Council that it be set up to make the widest possible inquiry into the Canadian Tax system.

The six volume, 2700 page report is now the primary preoccupation and study of all persons professionally concerned with this subject and for that matter, all Canadians. However or later will be affected by the possible taxation legislation resulting from it.

The Canadian Chamber of Commerce has for many years called for the formation of a basic tax policy. The Commission will spread the increasing tax burden more equitably and with the minimum impact on production. The Commission states in this country for such a policy is required by the fact that the history of tax legislation, particularly income tax, has been one of a long series of all time and almost unbroken amendments designed to meet the exigencies of the times. This has resulted in very complicated tax laws, untenable to all save the most sophisticated tax specialist.

With the final release of the report of the Royal Commission on Taxation, a business has been made towards bringing about clarity and order in our tax laws. Next comes much study and public discussion before conclusions can be reached concerning the recommendations made by the commission or alternative suggestions from all sources.

The important thing is that a beginning has been made and the Chamber of Commerce movement welcomes the report as a basis for further study and action.

Canvass For Bible Society

The Vermilion Branch of the Canadian Bible Society met recently to discuss plans for a canvass for house-to-house work in the Town of Vermilion. Due to the fact that there have been other opportunities in the past, it was decided to hold off this canvass until the week commencing June 14 rather than the week following May 15 as previously announced.

The SPINNING WHEEL

Mr. and Mrs. J. Johnson wish to announce that they have sold their business to

Mrs. Marian Gray

They thank their many faithful customers for their support in the last 4 years and hope they will continue to patronize the new owner.

School Bus Contract

The School Committee is prepared to receive applications for the contract to operate a school bus on the route from Vermilion East and North (through the Ranch) to the school. A 22-passenger vehicle required in travel 60 miles per day (2 trips).

For additional information apply to the County Office. Applications must be received in the Office, or be submitted, on or before June 7, 1967.

Our Children Deserve Better Care

Let's start giving the children a break. Stop leaving medicines and dangerous household products where they are easily available for our tiny tots to cause themselves possible harm or even death. There are much too many serious accidents.

We must never leave any medicine within a child's reach. After giving or taking any medicine, lock it up safely in a special cabinet. If you must have household linens and other harmful household products under the sink make the door which enclose them impossible for children to open.

Staggy Kidneys May Bring Restless Nights

It is a fact that a large number of people who suffer from staggy kidneys experience restless nights. This is because the kidneys are the main organs of the body that filter out the waste products of the body. If the kidneys are not working properly, the waste products will build up in the body, causing a variety of symptoms, including restless nights.

ANNOUNCEMENT

Dr. A. Ben King

announces that he is retiring from active medical practice in Vermilion on Friday, June 9, 1967.

I wish to inform all the people whom I have known over the years in Vermilion and district, that although I am retiring from practice I shall continue to be available to all who wish to go into consultation with me in my private and social life.

It has not been an easy decision for me to make to leave Vermilion, but it is a matter that I must make up my mind to go into consultation with me in my private and social life.

Card of Thanks
I wish to express my thanks to the many friends and neighbors who put in a beautiful party for me on Saturday, June 24, 1967. I was very much surprised and pleased by the many gifts and cards I received. I am sure that all of you enjoyed the party as much as I did. I am sure that all of you enjoyed the party as much as I did.

Five Diabetic Warnings To Children

If a child begins to drink great quantities of liquid but is continuously thirsty; if he eats more food than before, but loses weight steadily; if he begins to wet the bed after having previously stopped doing so; if he suddenly seems less playful; and if he suffers from severe constipation — take him to the doctor as soon as possible.

These five symptoms present at one time are indications of a possible diabetes. A quick detection in children is a blessing. When treated early, diabetes is a chronic illness, can be controlled.

Forecasts Western Fire School At The V.A.V.

In a formal address last fall, the Minister of Agriculture, in giving his opinion, took full account of the fact that the Chief Inspector of the Forest Service, Mr. J. H. Macdonald, of the Fire Training School, had informed him that the Forest Service in Vermilion would be the first to start a fire school in the province of a Western Canadian province. The Fire Training School for many years has been the seed for many courses that are running more efficient every day and many officials from other provinces were now taking a course at the school. The school was developed in Alberta. The Minister was given at the Chain Lake meeting by the Minister of Commerce, dinner last night.

new Chevrolet than any other new car

You can be sure of the car more people are buying.
And more people buy new Chevrolets than any other new car.

There are reasons for this. A lot of good reasons.

Five exciting Chevrolet series for a start:
Caprice, Impala Super Sport, Impala, Bel Air, Biscayne.

17 beautiful models to choose from:
convertibles, hardtops, sedans, station wagons. A big choice.

One to suit you. Chevrolet gives you

- a great range of performance lines; economical Sixes,
- small V six, big V six, all-out V eight transmissions; 3-Speed manual,
- 4-on-the-floor, Powerglide automatic and Turbo Hydra-Matic

to let you do both... shift through gears manually or go fully automatic. Chevrolet rides smoother.

Corners easier. Runs quieter. With all these good reasons for owning a Chevrolet going for another one,
no wonder it's your best buy. If you need another one, consider this. There's never been a better time to buy.

Your Chevrolet dealer's deals are right.

Trade-in values high. Immediate delivery on most models.

Test drive a new Chevrolet today.

You won't find another reason to go Chevrolet.

Centennial Program At The Vermilion Agricultural Fair

Downtown Exhibition Office Opened
Advance Tickets On Sale

Following the week-end activities celebrating Canada's birthday the next big centennial program will take place at Vermilion's annual fair. Plans are well advanced for the program which will be held on the evening of Saturday, August 5th, the last day of the fair. Further information and details will appear in the Standard at a later date.

OFFICE OPENED
The office of the Vermilion Agricultural Fair is now open in the Legion building. A slight change in the location should be noted. Access to the office will be through the main door on the west side of the building and then upstairs. The office phone number is 65-2524.

INTEREST GREATER
According to secretary, many people have expressed interest in the fair this year. A considerable number of people have already purchased tickets to the fair. It is expected that some twenty to thirty thousand people will attend the fair.

ADVANCE TICKET SALES
Advance tickets for the Vermilion Fair went on sale this week.

NEET OLD FRIENDS
It is to be hoped that many friends from other parts of Canada will be in Vermilion to attend the fair. It is suggested that anyone writing to friends and relatives should suggest that fair time is the best time to meet all their old friends in Vermilion.

Eight Bands At Lloydminster Ex.
The 1967 edition of the Lloydminster Exhibition Parade is being completed and entries thus far are running well ahead of last year's record. Bands which have been entered include 104 entries.

Playground Courses Commence July 6th
A completely new concept for Vermilion playgrounds will commence on Thursday, July 6th. The program will be under the supervision of three Vermilion students who have been selected to lead the program. The students are: La Brie, Terry, and Terry. The program will be held from 10:00 a.m. to 12:00 p.m. on Thursday, July 6th, and will be held on the playground grounds. The program will be held on the playground grounds.

Daylight Time Defeat Is Official
Reports of daylight time by Alberta voters in conjunction with the May 12 general election have been confirmed Thursday by official results.

Mite Baseball Ends Season
The Vermilion Mite Baseball League, made up of approximately 30 boys between the ages of 8 and 10 years, have just completed a successful season of ball. The season began in mid-June with 3 teams coached by John Kinnear, Hugh MacPherson, Ron Stinson, Wayne Maughan and Jerry Winters.

VERMILION MOTORCYCLE RACES
On Sunday, July 9 at 2:00 p.m., the Edmonton Motorcycle Club and the Vermilion Auto Racing Association will be sponsoring Motorcycle Races. The races will be held two miles south of Vermilion Airport at Tom Kibben's farm.

SCRAMBLE RACING
Scramble racing is a fast, rough and exciting sport. The bikes will hit speeds of 70 to 80 m.p.h. and have very rapid acceleration. In Europe this is one of their most popular spectator sports with crowds of over 40,000 people and national TV coverage.

PUBLIC NOTICE

More and more reports of litter (fertilizer bags, paper, magazines), garbage (household type) and even dead domestic animals (calves, pigs, dogs), having been deposited in road ditches, are being brought to the

Due to the unsightliness of these deposits and the danger to the health of the public caused thereby, it is assumed that no person who lives in our local communities or on our local farms would wish to see such

It therefore must follow that this offensive material is being brought into our County and deliberately dumped in our public places.

This being established, then the members of the Council respectfully request your assistance in reporting promptly anyone who is observed depositing any material of the nature of litter, garbage, parts of automobiles, or animal carcasses in County road ditches.

Severe penalties can be provided for those who are convicted of such an offense, and the Council will not hesitate to take appropriate action in obtaining such

Nothing presents a more beautiful scene than our County during the summer months but litter, filth, rotting animals do not add anything of value to the picture.

Memorial Fish Derby Centennial Project At Moose Lake

A memorial fish derby, a Centennial project to honor the late John Wynn, was inaugurated at Moose Lake on Monday, July 10, by the six sons, Steve, Emil, Walter, Joe, George and Ned. The winner was the eldest son, Steve, who caught a 15 lb. pickerel.

The trophy was specially designed with the explorer's hat emblem on top, set on a 15 lb. board with a fish on one side and a figure of an angler on the other. The name of the winner will be engraved on a silver plaque. This is an annual event and will be on display at Steve's home until next year's competition.

Also attending the derby were Paul Charnay, brother-in-law from Denver and Fred Wynn of Vancouver, uncle of the Wynn boys.

A total of 26 pickerel and six northern pike were caught. An enjoyable winner roast wound up the day.

The Osmesses Tour Nova Scotia

June 20th, weather is sunny and warm. We are enjoying a visit with Roy and Mrs. W. C. Macdonald and family, John, Dorothy, Elmer and Barbara. Last night we went on a tour of the historic sites of the Maritimes. A Naval Reserve from these countries taking part, a large parade, depicting the war through the years, and fire works were a few of the outstanding events.

From Montreal we went to the Maritime. Home from there has an extensive collection of historical items, the place, clad in native dress, played the piano, sang songs and a beautiful number of songs and very original music and women at the information booth.

To Quebec, N.S., for the weekend at the home of Roy and Mrs. Macdonald. We had a very good time. We had a very good time. We had a very good time.

THE PROGRAM

The formal program begins at 11:30 with the singing of the hymns. The Osmesses family and the first Grand sons were awarded to Preston in 1966. Marie Osmess, the general secretary, presented a certificate of appreciation to the first Grand sons. Hold Achievement Day
(By Chris Bond)

The Preston 4-H Beef Club held its achievement day July 8 at the Preston Community Center. The judges for the day were Mr. Lyle Robinson who judged the 4-H calves and Mrs. Stuart Benton who judged the show for having the top calf. I am planning to take her calf to Edmonton Centennial Horse Show.

Showmanship was won by Ernest Gibson who was presented with a trophy sponsored by the Preston 4-H Club.

We Can Compound Cosmetic Prescriptions

It may surprise you to know ancient records mentioned that pharmacists, then called apothecaries, prepared the healing and beautifying lotions and unguents. Even now Dermatologists prescribe some for problem skins. When directed by physicians, we can color them for different complexion.

A pharmacy is a safe place to get cosmetics. Of course we carry your favorite products and we know about their ingredients. If you ask for suggestions, we can give you informed professional answers. Our cosmetic inventory is controlled like our drugs so they always will be positively true.

A recent display and sale being planned for September 1st. This display will include some of our favorite products and we know about their ingredients. If you ask for suggestions, we can give you informed professional answers. Our cosmetic inventory is controlled like our drugs so they always will be positively true.

We Can Compound Cosmetic Prescriptions

It may surprise you to know ancient records mentioned that pharmacists, then called apothecaries, prepared the healing and beautifying lotions and unguents. Even now Dermatologists prescribe some for problem skins. When directed by physicians, we can color them for different complexion.

A recent display and sale being planned for September 1st. This display will include some of our favorite products and we know about their ingredients. If you ask for suggestions, we can give you informed professional answers. Our cosmetic inventory is controlled like our drugs so they always will be positively true.

Agricultural Colleges Have The Answer

Both urban and rural young people who are interested in farming, a career in agriculture or in becoming a professional agronomist will find that Alberta's agricultural and vocational colleges have the answer to their needs.

The agricultural courses are designed to enable young people to meet the challenges of a vocation that is changing at an ever increasing rate and to prepare them for further education on the professional level. These courses are constantly being changed to keep pace with the needs of modern agriculture.

New jobs are being created all the time by the increasing number of businesses that are required to serve today's agricultural industry. These jobs require people with a broad technical knowledge of agriculture and a good basic knowledge of modern business techniques.

Further information on the courses being offered at the colleges can be obtained from the Principals of the Olds, Vermilion and Fairview Agricultural and Vocational Colleges.

To Consider Problems of Sport

Athletic and sports governing bodies in the province have been invited by the Alberta Department of Youth and Social Services to meet at a meeting from September 8 to 10 at the University of Alberta, in Edmonton.

In announcing the meeting, the Hon. Robert C. Clark, Alberta Minister of Youth, said that recommendations resulting from the exchange of ideas should improve sports and athletic opportunities for Alberta citizens and promote wider participation in sports activities throughout the province.

The meeting is designed to bring together those provincial organizations involved almost exclusively in sports and athletic programs. At a later date, a meeting will be sponsored by the Youth Department for recreation agencies and organizations whose programs include sports development but whose total program is broader in scope.

Why Am I So Tired?

The Ontario Medical Review reports that during a last week a lady kept showing up at the doctor's office complaining, "Why am I so tired, doctor?"

Finally the doctor gave her this answer: "You've had a busy day, modern. Your heart beat 103,389 times, your blood travelled 148 miles, you breathed 22,046 times, you inhaled 430 cubic feet of air, ate 3.25 pounds of food, drank 23.93 pints of liquid, perspired 1.63 pints, gave off 85.6 grams of heat, generated 690 tons of energy, spoke 4,800 words, moved 85 major muscles, grew 10,000 inches of fingernails, and 2,714 inches of hair and excreted seven million brain cells. Lady, in wonder you're tired."

Alberta Natural History

One of the largest ornithological collections in the world is now being made available to the public. The collection, which is housed in the Alberta Natural History Museum, contains over 100,000 specimens of birds, mammals, and fish. The collection is the result of the efforts of many naturalists and collectors over the years. It is a valuable resource for the study of natural history and is open to the public for viewing. The museum is located in the basement of the Alberta Museum building in Edmonton. Admission is free.

PUBLIC NOTICE

More and more reports of litter (garbage bags, paper, etc.) and even dead domestic animals (calves, pigs, dogs), having been deposited in the Vermilion area, are being brought to the attention of Council members.

Due to the unavailability of these reports and the danger to the health of the public caused thereby, it is assumed that no person who lives in our local communities or who is responsible for the disposal of refuse should be a part of such a practice.

It is therefore most urgent that this offensive material be brought into our County and deliberately dumped in our public lands.

This being established, then the members of the Council respectfully request your satisfaction regarding promptly anyone who is observed depositing any material of a nature of refuse, garbage, paper, or animal carcasses in County road ditches, on unimproved road shoulders, or in such material appears in your neighborhood.

Persons please can be provided for those who are convicted of such an offence and who are not hesitate to take appropriate action in obtaining satisfaction in abating this practice.

Nothing is more beautiful some than our County during the summer months but litter, trash, and rotting animals do not add anything of value to this picture.

A NEW PARTY LEADER

The Progressive-Conservative party did itself proud at the leadership convention in Toronto last week. The event caught the fancy of the people of this district, due not only to the fact that a new leader of a major party was to be chosen, but that a great drama was being unfolded around the person of John G. Diefenbaker, no doubt Canada's most colorful and dramatic figure.

The convention was made all the more interesting and had enough drama to make it interesting. But the general tone was serious and made Canadians of all political beliefs feel that the use of our two major national political parties was once more assured to a firm foundation.

The party appeared to emerge united behind a leader who inspired the confidence that there was a man who could lead the party's long association, carry its loads, and unite it in the country's service. We should now have a turning away from self-dramatization and political bickering, towards a sober and measured consideration of national problems. This course will be welcome and beneficial to all of Canada.

Shopping Hours Subject to Change

Shopping hours in cities and towns is a controversial subject and news services are full of it. It is a subject that is not only a political one, but also a social one. Shopping hours have been the subject of a long and heated debate in the past, and it is likely to continue for some time.

The new paper will also have Wednesday all day closing in preference to Monday. 50 of 56 favored Wednesday with 41 of the 56 favoring Monday. The meeting last Thursday, however, decided on Monday all day and after September 26th the Wednesday half holiday is to be no more. It will be replaced by a full holiday, on Monday, Sept. 25.

FAIL IN CULTIVATION
Does it pay or doesn't it? The question that every farmer asks himself is whether a definite answer will be arrived at by the end of the year. At present, the answer is not clear. The fall cultivation of the soil is a very important part of the farming process, and it is one that is often overlooked.

The party appeared to emerge united behind a leader who inspired the confidence that there was a man who could lead the party's long association, carry its loads, and unite it in the country's service. We should now have a turning away from self-dramatization and political bickering, towards a sober and measured consideration of national problems. SWIM TESTS AT THE VERMILION POOL

After enjoying a summer as the most popular spot in north-eastern Alberta, the Vermilion swimming pool closed for the season last Sunday evening. Vermilion's latest recreational facility has enjoyed a patronage which exceeded the expectations of everyone concerned. Furthermore, the pool was exceptionally well managed, for which the young people in charge are to be highly commended.

The above picture of the pool was taken last Thursday afternoon after school when school children were swimming against time in Canada-wide tests. — Standard Staff Photo

WORLD'S LARGEST JETLINER FOR AIR CANADA

Boeing 747, largest jetliner in the world, capable of carrying 300 passengers, has been ordered by Air Canada to accommodate increasing numbers of passengers on the transatlantic and trans-Alantic routes. The large jet, which will be delivered to the Douglas Aircraft Division plant in Long Beach, Cal., will make its maiden flight in the near future.

THAT EXTRA INGREDIENT

Every prescription written by your physician is a set of instructions to the pharmacist telling the exact amount of the medicine he wishes you to have, the form they are to be in and the way they should be taken. It is our responsibility to carry out these instructions to the letter.

But, pharmacists always add an extra ingredient to every prescription. That is the special care in compounding it. We handle your prescription as if it was intended for a member of our own family, for we have entrusted us with your most precious possession . . . your health.

Health Unit Notes

NATIONAL IMMUNIZATION WEEK
This year marks the 25th anniversary of the introduction of the National Immunization Week in Canada. The dates of the 1967 National Immunization Week are Sept. 20 to 26.

National Immunization Week is an annual reminder to Canadians that certain diseases can be prevented by immunization. Some of the most important diseases which can be prevented by immunization are diphtheria, whooping cough, polio, measles, mumps, and tetanus. It is recommended that all children be immunized against these diseases. For more information on immunization, contact your local health unit.

For more information on immunization, contact your local health unit. They will be glad to answer your questions and provide you with the necessary information.

NEWS from MARWAYNE

Contributions and all good wishes go to Mr. and Mrs. Ray and Mrs. Betty, who were married in Trinity United Church on Saturday, October 7, 1967. The bride is the daughter of Mr. and Mrs. J. H. Brown, and the groom is the son of Mr. and Mrs. J. H. Brown. The ceremony was officiated by Rev. J. H. Brown. The wedding was a beautiful affair.

Islay Municipal Hospital Board

ELECTION CARD

Having been nominated as a candidate for membership on the Vermilion Hospital Board, I respectfully solicit the support of the electors of the Town of Vermilion at the polls on Wednesday, October 18th.

I have had 26 years of experience in hospital management, eight of them in the Vermilion Hospital. While at the Vermilion Hospital I was privileged to serve as president of the North Eastern Alberta Hospitals, a group of 25 Alberta Hospitals, and was also chosen by the Vermilion Central Committee to write the history of this hospital for the Centennial book, "Vermilion Memories."

The prime purpose of any hospital and its staff is to care for the sick. This should be done adequately, efficiently, sympathetically and cheerfully, and with this purpose in mind all other considerations should be dealt with later. Experience has taught that the best way to secure the maximum in patient care, is to proceed to have the hospital attain the standards of service needed to become an Accredited Hospital with a full Accredited rating by the Canadian Hospital Council. Much has been accomplished toward this goal in the past few years, but more must be done. Close co-operation is needed by all concerned to attain this rating.

If elected I pledge my efforts and experience to toward the accomplishment of this aim.

Can You Ever Get a Below Cost Bargain?

Yes, it is possible, but you have to be real smart. You know the only reason anyone sells below their cost of doing business, is to get you in their store and sell you something else to make up their loss. You have to always be on guard.

Wouldn't you rather get all your medicines from us, where you pay a fair price for everything and always get the attentive, dependable service you enjoy? Aren't you tired of discounted service?

Miss Canada Pageant Largest in Canada

Miss Shirley Kadechka, "Miss Northern Alberta" is now in Toronto competing in the Miss Canada Pageant, the largest pageant in Canada, with 20 young females from all across the Dominion. Shirley travelled to Toronto in company with Miss Edmonton and Miss Calgary. The girls will compete in a week long competition which will be culminated with the crowning of the pageant winner on November 13th. The finale will be televised over the CTV network at 7:30 p.m. Vermilion time.

Shown in the picture are Henry Haug, left, and Crest Draganich, right, both of the Two Hills Lions Club which sponsors the Northern Alberta pageant. Mr. Haug presented Shirley with her first class travel air tickets to Toronto. The presentation was made to Shirley by Mr. Haug on behalf of Mr. Frank Lindecker, the pageant chairman.

Steve Orlick, president of the Two Hills Lions Club, was also in attendance and presented Shirley with \$200 in cash, as a gift from the Two Hills Lions Club.

Six Men In Custody In Death of Frog Lake Indian

A 60-year-old Frog Lake Reserve Indian was beaten to death last Saturday outside the hotel at Dewberry. Six men have been arrested in connection with the death and all have been remanded without plea in custody.

On Saturday, Nov. 4th, more than thirty armed men, all of whom were identified as members of the Alliance Youth Rally, gathered at the hotel at Dewberry. Young people from Manawey, Marwayne, Vermilion and Edmonton were present.

Special speakers at the rally were Rev. Val Coud of Crow, Alberta, and Rev. Myron Voth, missionary to Argentina. Mr. and Mrs. Coud also provided special meals at the rally.

In the afternoon an evening time of volleyball was held at the high school gym. Dinner and supper were served in the dorms of the United Church. Rev. Voth, who was the guest of honor, stated that it was one of the finest youth rallies he had ever attended. The next A.Y.F. Youth Rally will be held in May and will probably be held at Marwayne.

The first Vermilion sub-Led meeting was held on October 24. The following were elected as the 1967-68 council: President, Mr. Ben Bechman; Vice-President, Miss Deana Butler; Secretary, Miss Ellen Threlton; Treasurer, Miss Deana Butler; Public Relations, Miss Deana Butler; Welfare, Miss Deana Butler; and Entertainment, Miss Deana Butler.

The six men were arrested by the Police on Saturday night. They were charged with the murder of the Indian. The men are: (names redacted) and (names redacted).

Mannville Old Timers Gather At Round-Up

MANNVILLE The Mannville Old Timers held the annual round-up on Saturday evening, Oct. 28th. Approximately 250 guests were greeted at the door and were seated in a comfortable banquet hall by John and Mary Ann. The evening was hosted by Fred and Irene. The evening was a success and the round-up was very profitable. The Mannville Old Timers are a group of people who have lived in Mannville for a long time and who are interested in the history of the town. They meet regularly and have a variety of activities. The round-up was a great success and the Mannville Old Timers are looking forward to the next one.

Mr. Allen Roush, chairman, chief historian of northwestern Alberta, was guest speaker at the Mannville Old Timers annual round-up. He was introduced by Jim MacLachlan, right. Mr. Roush, in Central dress, accompanied his husband.

Jack Crawford proposed the toast to the pioneer ladies, and Mrs. Ruby Younger replied.

Frank Ewing, right, proposed the toast to the Old Timers. The reply was made by Charlie Finlay, left.

This lively and story combination, Mrs. Ronald Scott (now Mrs. Roy) and Mr. Ralph Scott, were the first settlers in the Mannville district. The Scott family came to Alberta in 1880 and settled at Mannville in 1901.

Mr. and Mrs. Billie McCauley, pioneer homesteaders of Mannville district, the oldest married couple at the annual Old Timers Round-up.

St. Andrews Scene Of Nuptial Mass

The lovely old church of St. Andrews, parish of St. Andrews, was the scene of a beautiful nuptial mass for the bride and groom, Mr. and Mrs. Ronald Bohaychuk, on Nov. 10. The bride, Miss Linda Elizabeth Bohaychuk, daughter of Mr. and Mrs. Michael Bohaychuk, was dressed in a white gown with a long train and a full skirt. The groom, Mr. Ronald Bohaychuk, was dressed in a white suit with a white shirt and a white tie. The ceremony was officiated by Rev. Fr. Bohaychuk. The church was filled with guests, and the atmosphere was festive. The bride and groom were surrounded by family and friends. The ceremony was a beautiful and memorable event.

Cordially, VERMILION TOWN COUNCIL.

Any person rendering waste or litter on any street, lane or roadway is subject to penalty according to the Highway Traffic Act of the Province of Alberta.

On the day of collection in a residential area refuse will not be collected from barrels with anything burning in them. Burning of rubber or leather is not permitted at any time.

Collectors will not be required to remove any waste from premises other than a combined weighing in excess of 75 lbs.

Any person in possession of an animal that does not dispose of it within eight days by taking it to the municipal pound, shall be liable to a fine.

This Is Young Canada's Book Week

How much do you know about Canada? Who discovered Ontario? Where were some of our first cities? You know that there's a lot to know about Canada, and only one place where you can find out everything about Canada in one place. That's why the National Library Board has set up a special book week for young Canadians. It's called "Young Canada's Book Week" and it's running from November 23 to December 1. During this time, you can find out everything about Canada in one place. You can find out about our history, our geography, our people, and our culture. You can find out about the things that make Canada special. You can find out about the things that make Canada a great place to live. So, if you're a young Canadian, make the most of this special book week. Visit your local library and see what you can find out about Canada. You'll be surprised at how much you can learn in just a few days.

5,000 Killed Every Year

Defensive driving is one good way to help reduce Canada's staggering annual loss of more than 5,000 lives and billions of dollars in property damage. The Canadian Highway Safety Council, which is a national organization dedicated to reducing traffic deaths and injuries, is urging drivers to take defensive driving courses. These courses teach drivers how to anticipate and avoid potential accidents. They cover topics such as proper lane positioning, safe following distances, and the importance of staying alert. The council estimates that defensive driving can reduce the number of traffic deaths by up to 50 percent. So, if you're a driver, consider taking a defensive driving course. It could save your life and the lives of others.

Farm Market Sag Threatens Jobs

Sharp drops in farm commodity prices have come to an end this fall after several record-breaking years, reports the Canadian Farm Press. The price of wheat, for example, has fallen from a high of over \$1.00 per bushel in the summer to around \$0.70 per bushel in the fall. This has caused a significant loss of revenue for many farmers. The Canadian Farm Press reports that this price drop is due to a combination of factors, including a surplus of wheat and a decline in demand from foreign markets. The price drop is also a result of a general decline in commodity prices across the board. This has led to a loss of confidence in the farm market and a threat to the jobs of many farmers. The Canadian Farm Press is calling for government intervention to help stabilize the market and protect the livelihoods of farmers.

Caravan No. 7 Tour Concluded

Canadian Caravaners Club No. 7 concluded its 12-day tour of Alberta and Saskatchewan on November 22. The tour was a great success, with members enjoying the sights and sounds of the prairie provinces. The caravan started in Edmonton and traveled through the heart of the prairie, visiting many of the province's most beautiful spots. Members enjoyed the camaraderie and the opportunity to see the country from a different perspective. The tour was a great way to spend the fall months and a chance to see the beauty of the prairie provinces. The Canadian Caravaners Club is planning another tour for next year, so keep an eye out for more information.

Professor Tells of His Visit to Soviet Ukraine

Dr. J. A. Thompson, head of the Department of History at the University of Alberta, returned from a recent visit to the Soviet Union. He visited Ukraine and was struck by the country's rich history and culture. Thompson was particularly impressed by the architecture and the people of Ukraine. He found the country to be a mix of European and Asian influences. Thompson's visit was part of a larger project to study the history of the Soviet Union. He plans to publish a book about his findings. Thompson's visit was a great opportunity for him to see the country from a different perspective and to learn more about its history and culture.

PEZZI ANALYSIS

Food is the biggest single item in a household budget, and it's also the most important. A good diet can keep you healthy and happy, while a poor diet can lead to a variety of health problems. It's important to eat a balanced diet that includes a variety of foods from all food groups. This includes fruits, vegetables, grains, protein, and dairy. Eating a healthy diet can help you maintain a healthy weight, reduce your risk of chronic diseases, and improve your overall health. So, if you're looking for a way to improve your health, start by eating a healthy diet. You'll be surprised at how much better you feel when you eat right.

ROTARIANS HEAR WILDLIFE BIOLOGIST

Millan Novak, Regional Wildlife Biologist of the Alberta Department of Lands and Forests, was guest speaker at the Vermilion Rotary Club dinner meeting on Friday last. Mr. Novak presented his remarks on the wildlife situation in the province and the importance of conservation. He discussed the challenges facing wildlife in Alberta and the steps that are being taken to protect them. Mr. Novak emphasized the importance of public participation in conservation efforts and encouraged the Rotary Club members to get involved. The meeting was a great success and provided a valuable opportunity for the community to learn more about wildlife and conservation.

Your Precious Eyes**

Nature has done everything possible to protect them, but sometimes they need help. If you are subject to re-occurring headaches, or your arms are too short to hold what you are reading, have your eyes examined.

Prescriptions for eye medicines require expert compounding. Solutions or eye drops must be free from contamination, no matter how small. Some must be sterile. We welcome the opportunity to use our compounding skill should you need any eye medication.

V.A.V.C. Hold Christmas Banquet and Awards Night

Members from ten groups of the Vermilion Area Veterans' Association (V.A.V.C.) held their annual Christmas Banquet and Awards Night at the Elks Club on Wednesday, Nov. 29. The event was a great success and was attended by over 100 guests. The banquet was held in the Elks Club's main hall, which was beautifully decorated for the occasion. The program featured a variety of entertainment, including a musical performance by the local school choir and a play by the Elks Club's drama group. The awards ceremony recognized the achievements of several members and guests. The evening was a festive and enjoyable one for all who attended.

Tigers Wallop Edmonton I.G.A. Foodliners Team

By BOB BAKER
The Tigers of the I.G.A. Foodliners team, representing the Vermilion area, had a successful night at the Edmonton I.G.A. Foodliners store on Wednesday, Nov. 29. The team, consisting of several local athletes, defeated the Edmonton team in a basketball game. The victory was a significant one for the Vermilion team, as it marked their first win in the series. The game was a close and competitive one, with both teams displaying excellent skills. The Vermilion team's victory was a testament to their hard work and dedication to the sport.

World Grain Champions At Royal Winter Fair
Alberta entrants in the various competitions of the Royal Winter Fair at Toronto stood high on the list of awards in virtually all classes. The Alberta World Field Crop Champions gathered for a group picture following awards presentations and include from left to right: Larry Hill, headmaster; Harold K. Hansen, Yukon, B.C.; Wayne Thompson, B.C.; and several other winners. The Alberta team's success at the fair was a major achievement for the province's agricultural community.

Payments To Nursing Homes Increase In 1968

Nursing homes in Alberta will receive a 10 per cent increase in payments for the year 1968. The increase is a result of a new agreement between the government and the nursing home industry. The agreement provides for a 10 per cent increase in payments for the year 1968. The increase is a testament to the success of the nursing home industry and its members.

Take Good Care of Your Precious Eyes

Nature has done everything possible to protect them, but sometimes they need help. If you are subject to re-occurring headaches, or your arms are too short to hold what you are reading, have your eyes examined. Prescriptions for eye medicines require expert compounding. Solutions or eye drops must be free from foreign particles, no matter how small. Some must be sterile. We welcome the opportunity to use our compounding skill should you need any eye medication.

This Christmas give them a Growth Savings Certificate... it will grow with them.

Decor now to give them the gift of a future — a Growth Savings Certificate. It's yours for only \$10.00 for every \$15.00 you invest — and it's a Growth Savings Certificate that will grow with them. Available in denominations of \$10.00 upwards and payable at any time. Ask about them at any Commercial branch. Once the gift is future, and watch it grow.

Four Generations of Family Gathering

Recently the Wasylichen family held a happy re-union with all members present, along with many of their own families. Here we saw four generations who attended the gathering: the great grandmother, Mrs. Wasylichen; her son Bill, the grandfather; his daughter Rose, the mother; and baby Douglas.

The C.W.L. held its annual Christmas party on Tuesday, Dec. 10th. The highlight of the evening was Billy Whist directed by Father Campbell. This was enjoyed by all. A short program followed to entertain the guests. Miss Stella Palfreyman read a poem called "A Wife". The Kitty Rhythm Gals then played their instrumental. The vocal group, the Vocalists, sang "I'll Be Home for Christmas" under the direction of Chief Palfreyman. The conclusion of the program was carol singing with every body joining in. A lunch was served and the evening was peacefully ended.

# Health Unit Notes

**CHRISTMAS AND A HAPPY CHRISTMAS**  
Christmas we remember our friends and the Health Unit has many friends. It is good some time to reflect and to say thank you to those kind people who have, by the gift of their time, made our friends and ourselves more smoothly. We are blessed by a number of people who work by gift give up a couple of hours and whatever the weather around the World it is a joy to have them. During the week, weighing babies, running and teaching the children, making the work run smoother. To thank you, we come and help us in the year to come.

Our dental clinics too profit by the medical assistance given by a number of ladies who live in the village and who make appointments for children to attend the dental hygienist. Many thanks are due for this gift of service and may we count on your continued help next year?

There are many other people who help us, school teachers and principals particularly. The month health work demands for its own sake, on the communication of information. Frequently the person who helps most in this respect is the teacher. A big thank you is due to them.

Lots of help comes too from a host of other people. It would be impossible to count how many people have helped in various ways who could not really be found. There are usually people who help in the house, in the garden, in the health unit and in the community. We are very grateful to all of them.

There are many more who help us, school teachers and principals particularly. The month health work demands for its own sake, on the communication of information. Frequently the person who helps most in this respect is the teacher. A big thank you is due to them.

### Can Your Wife

#### Afford To Be A Widow

The slightest neglected detail in the best-intentioned plan could cause needless hardship for your survivors, cites an article in the December issue of *Life* magazine. An individual or family would find it difficult to cover the thousands of dollars in expenses that would be incurred if even if you were in order, the state of laws governing estate settlement in Canada is such that unless you make your will and chattels with extreme care, your wife or family could not afford to be a widow. Far from covering the costs of the funeral, the state of laws in Canada is such that unless you make your will and chattels with extreme care, your wife or family could not afford to be a widow.

Widows could be spared this anxiety and trouble if husbands would make a will, the necessary provisions for dependants their estates.

1. Draw up a will with the help of a competent lawyer or notary. Make sure your widow, your assets and the laws all mesh. Check on such points as whether the beneficiaries named in your life insurance policies coincide with the provisions of your will.
2. Make an inventory of your assets - home insurance, cash, securities, personal possessions - listing their approximate value. Update it each year. Keep a copy at the bank.
3. Devise a plan that will give your wife immediate access to expense money if you die.
4. Make sure your wife knows - before she is thrust unexpectedly into the problems of being a widow - what the family assets are and where to find records of ownership. Put all this down on paper for her.

## Agricultural Society Re-elects Keith King President

The annual meeting of the directors of the Vermilion Agricultural Society was held on the evening of Thursday, January 11th. The meeting had been scheduled for December 11th, but had to be cancelled due to blocked roads. Although temperatures were near 30 below many same old members were in attendance.

Immediately following the roll to order by the president, Keith King, a moment of silence was observed in memory of Mr. C. W. Wells, a much valued member of the society who passed away during the year.

TO MEMORIAL FAIR: Mr. J. R. Robson, President, Mr. J. R. Robson, Vice President, Mr. J. R. Robson, Secretary, Mr. J. R. Robson, Treasurer, Mr. J. R. Robson, Auditor, Mr. J. R. The breast should not be treated completely, as they will then lose their greatest stimulus to milk production which is suckling.

As the stimulus of suckling is applied to the breast a larger quantity of fluid is produced and it takes on more of the character of human milk. Human milk looks thin and watery, often feared with some milk. Human milk is adapted for babies, cow's milk is adapted for calves. There's enough human milk there for babies, cow's milk is for calves.

### We Need Brotherhood Week

Canada is not a country, with one homogeneous people. In addition to the four founding nations, French and English, we are joined together in an ethnic, cultural and religious mosaic. Many people have grown up in isolation, with little or no knowledge of the beliefs and customs of others. We are the "third force" of the world, the element of its special heritage.

This diversity enriches Canada, but it also provides conflict at times.

Brotherhood Week, sponsored each year by the Canadian Council of Churches and Jews, attempts to provide the Canadian mosaic as a source of pride to all. Respecting the culture, views of the diversity of Canada, Canadians can work together to achieve the goal of brotherhood and in doing so make Canada a greater country.

### Family Income Hard Hit In Commission Report

One disturbing element about the Report of the Royal Commission on Taxation (The Carter Commission) concerns the effects that the proposals would have on the Canadian people if they were implemented. For example, the Commission has stated that "a married couple should pay higher taxes than two individuals." This is a very serious statement.

Under the "family unit" plan, all the income earned by a man, his wife and their children under 21 would be taxed as one income. If the wife has no income, the husband's income would be taxed as one income. If the wife has income, the family income would be taxed as one income. This would automatically place the family in a higher income bracket.

### Take Stock — It Is Good Business

Duty statements, obsolete goods, overtime work — all at these times are expensive. Many of our associates with the business of stocktaking, however, without the purchase of this annual book, no proper catalogue of a year's business operations can be made. It also provides a list of the items from which the year's business can be reconstructed.

Stocktaking is just as important for individuals. Many things happen during the year of a year which affect the person's affairs.

### Old Age Security

Since its introduction in 1962, the Old Age Security program has been of considerable value to thousands of elderly Canadians. When first introduced the program provided a monthly payment for persons aged 65 and over. Today payments are made to those who have received their 65th birthday. The program is a source of income for many elderly Canadians in the only other qualification necessary to receive this program. Each month more than \$12 million is paid to Old Age Security pensioners nationwide.

## Health Unit Notes

During February an effort is being made by the Health Unit to give some dental education to the school population. Many children are to be visited by dental demonstrators who will provide an interesting introduction to the subject of dental care. Health Unit staff will be in the school to help children to understand the importance of dental care. **Mr. and Madame Ratepayer—  
It is Your Meeting**

Ratepayers are reminded that it is their annual meeting which is being held in the 22nd Hall, Monday, Feb. 26th, at 8:00 p.m. There are some 750 or so men and ladies who are eligible to come and voice their opinions. The members of the town council will welcome the opportunity to discuss all that has been done during the past year, they will welcome comments and constructive criticism.

There is no doubt but that the Mayor and Council would welcome a large attendance at this meeting as a continuing interest in the welfare of the town and the affairs in which the officers are administered. It is rather desirable also to spend a lot of time on town affairs as a councillor, doing the very least possible and to have little interest taken in the people whose behalf the work is done.

**Court of Canadian Citizenship  
Has Busy Year**

The Edmonton Court of Canadian Citizenship had a very busy year during Centennial Year.

In addition to nearly one hundred Court ceremonies throughout Northern Alberta, at which nearly three thousand newcomers to Canada received Canadian Citizenship—almost an equal number of native born Canadian citizens obtained Certificate of Proof of Canadian Citizenship at approximately 175 special Centennial Confirmation of Allegiance Ceremonies.

This reflects the growing realization by native born Canadian citizens that their birth certificate alone is not conclusive evidence of Canadian Citizenship.

**Places of Healing—Plus**

Hospitals have been known as "places of healing" for centuries. The history of the "place of healing" is a long and interesting one, providing us with a glimpse into the lives of the people of the world. The history of the "place of healing" is a long and interesting one, providing us with a glimpse into the lives of the people of the world.

The modern hospital is more than a haven for the sick and the injured. It is a place where the latest medical knowledge is put to use in the treatment of disease. It is a place where the latest medical knowledge is put to use in the treatment of disease.

## Adventist Minister To Lecture Locally

The Vietnam Broadcasting Agency Church will be held in southern Iowa Feb. 26-28, with the "crucial meeting" on Feb. 27 and Feb. 28. Pastor Herb Larsen, who has traveled throughout the United States to raise money for the church, will be the speaker here. The church is the provided representative of the Faith For Today television program.

"Today men's hearts are filled with confusion and uncertainty about this world's history," states Pastor Donald L. Mohr, pastor of the Vietnam Broadcasting Church. "There is unrest in the Middle East, and we are in trouble in Korea. What an opportunity to bring hope and courage to the world and witness this is the purpose of this Bible (TV) program."

To all who come, a new Bible will be given to one member of the family. This Bible will be used at each meeting, and there is a hope that they have attended a meeting of this program. This is a community service for

## DO YOU HAVE PRE-1948 24in. or 35mm. MOVIE FILM?

If so, it's almost certain that this film is printed on highly inflammable nitrate base film stock and, regardless of its age or condition, constitutes a very serious explosion and fire hazard. (Does not apply to 8mm. or 16mm home movie film.)

**THE WARNING SIGNS**  
Yellow discoloration, fading of the image and under-irritations are the first signs of decomposition. Later, the emulsion becomes sticky and the layers of film may weld together in a frothing mass, discharging an unpleasant odor.

**FINAL STAGE**  
Appearance of hard swelling brown powder.  
**WHAT TO DO**  
If you have old film in your possession, whether it shows signs of decomposition or not, act at once! Remove film very gently from any building and any source of heat. **DO NOT PLACE IT IN THE KITCHEN OR NEARBY TO HEATERS** OR NEARBY FLAMES.

**Write or Telephone:**  
R. D. Freeman, Chief Inspector of Townships, Room 127, Natural Resources Building, Edmonton. Ask for an Inspector to come and identify the film, and if necessary, arrange for its safe destruction.

### Read, Be Informed, Then Vote

The School Committee of the County of Vermilion River is to be highly commended for the clear and comprehensive survey which appeared in the last issue of the Standard. The article occupied a full page and was representative of "Provision of County School Facilities."

The survey sets out very clearly the acute need for the additional school facilities in Vermilion. Had this survey been published at the time the plans for the addition to the J. R. Robinson school were first announced, there would have been no question of a full page and a half of space being devoted to a subject of this importance.

It is particularly glad to see the survey in favor of the proposition on Saturday, March 16th. The plan of the 15-man school board.

### HUMAN RIGHTS YEAR

The year '68 has been designated as "Innovation Year for Human Rights" initiated by the United Nations and approved by most countries in the world. This was the first time in the history of the United Nations that the world's special attention has been directed to the area of improving the conditions of all man, women and children. The year of innovation, human rights, as the United Nations sees them, will include civil liberties, improved working conditions, racial and religious tolerance, improved social security measures and many others.

### HAVE A HEART

Can a man who has had a heart attack come back? The answer is an emphatic yes, according to the Department of National Health and Welfare. The department's report, "Can You Keep It?" says that a heart attack, for most people, does not mean permanent disability. Recent studies show that more than 80 per cent can and do return to work after the heart has failed from an attack. Exercises of gradually increasing intensity are prescribed by heart specialists. However, it is wise to consult your personal physician before attempting a program of activity. Have a check-up, and if you're found fit, your heart's a break — exercise intelligently.

**PHOSPHORUS & CALCIUM**  
Many of the farmers have had the opportunity to see the results of the application of phosphorus and calcium to their crops. One of the most important of these is the application of phosphorus to the soil. This is done by spreading a mixture of phosphorus and calcium over the field. This mixture is known as a "phosphate fertilizer."

The application of phosphorus and calcium to the soil is a very important part of the farmer's work. It is a way of making the soil more fertile and of increasing the yield of the crops. This is done by spreading a mixture of phosphorus and calcium over the field. This mixture is known as a "phosphate fertilizer."

## Bobcats Lose Zone Finals

Bobcats lost the zone finals to the Leopards in a game that was played at the Leopards' home. The Leopards won the game by a score of 3 to 2. The game was a close one, with both teams having chances to score. The Leopards' defense was strong, and they were able to keep the Bobcats from scoring. The Bobcats' offense was not as strong, and they were unable to score enough goals to win the game.

## No Home Remedy is Entirely Harmless

For, even though it may give you a temporary relief from distress symptoms, or do no apparent harm to your body, using it too often may delay the proper treatment until a physician can give you.

If you are constantly taking any home remedies for recurring pains or ouches do not delay consulting a physician. We will be glad to explain why this is important to your future better health.

### Local School Board Proves Value

The fact that the by-laws for the much needed addition of the J. Robson school was approved by the trustees of the County is a source of great satisfaction, as the school facilities have fallen behind in this rapidly advancing age. In this connection the local school board is to be commended on the active part it played in promoting the dissemination of proper information and in rendering the interest of everyone in educational matters.

Being a part of the school division and then county, the role of the local school board is strictly in an advisory capacity, but the fact that it is there when needed was very much in evidence before and during the recent plebiscite.

men should remain indifferent to the fact that there is, in this  
program whose objective is to promote progress in dis-  
and rural areas.

joint Federal-Provincial program and its goals are to increase and employment opportunities of rural people and to efficient use of rural lands.

to achieve these objectives ARDA is using various means:

- There has been improved on two million acres in Western Canada through community pastures, grazing reserves, nation and wildlife projects.
- People are being assisted to find alternative employment opportunities.
- New jobs are being created through resource development projects in rural areas.

comprehensive regional development programs are under-  
taken in the Interlake District of Manitoba and in the Edson  
District of Alberta. The Interlake program under ARDA  
provides \$5 million dollars of federal and provincial  
funds for human and physical resource development.  
\$10 million dollars have been committed to drainage,  
control, irrigation system renovation and land re-  
clamation projects throughout Western Canada.

### Red Hot Spur Tapers Go To Victory

Miss Norburn Alberta of 1947, Shirley Kesteven, presented Champion of Champions Red Hot in Vermilion Tuesday prior to their departure to Quesnel where they wrapped up the Alberta/BC Interprovincial "A" title in their second win the above playing strategy in playing a hat on playing card Hank Wright, with team Captain Jim Fanning on his right and Skipper Paul Hines on the extreme left of the picture. Champion of Champions President John Stewart, right, looks on approvingly.

## Tigers Lose in Finals For Western Title

[illegible]

The Vermilion Tigers hockey club, and this includes players, coaches and management, are deserving of the highest tribute and praise in providing the public with the vitally interesting and high standard of hockey enjoyed in the provincial intermediate A play-offs.

Winning first the Alberta title in two closely contested games with Red Deer last year, and then adding the Alberta B.C. Stampeder led 1-0 at the end of the first but Tigers manage to tie it up before the end of the middle stanza in the

The children taking part were: Top row (left to right), Donalda La Riviere, Brenda Buser, Cheryl Simons, Debbie Jackson, Arlene Buser, Gloria La Riviere, Ruth Wiff, Jim Edwards, Middle row: Marie Klant, Cecily Karwandy, Debbie Zaccaro, Bernadette Klant, Sharon McColley, Wayne Dewart, Front: Malcolm MacMillan, Rodney Rogers, Rodney Zacharias.

**"BUNNIES AND INDIANS"**

One of the choruses in St. Jerome's Concert Night was the Bunnies and Indians. The students taking part were: (top row) Mara McElvilly, Tommy Sherbrook, Joan Arnold, Natasha Lawrence, Jimmy McElvilly, Jim McElvilly, Alan Gervais, Darryl Modyk, Donalda Nels, Arthur Burdman, Billy Nels, Ronald MacMillan, Carolyn MacMillan, James MacMillan, Mark Mercer, Terry Karwandy, Randy Zacharias, Neil Herring, Front row: Mark Herring, Marie MacMillan, Stephen Gass, Duane Hynek, Patrick McElvilly, Linda McElvilly.

**"THE EMPEROR'S NIGHTINGALE"**

This operetta was presented by Grade II of St. Jerome's Elementary School at their annual concert held recently. It portrayed Katherine Koppman as the Emperor, Shirley Truch as the Prime Minister, Kenneth Wozniak as the Frog, Duane Nephew as the Toy Bird, and Evelyn Buser as the Nightingale. The rest of the children were in the Chorus and Ladies. Patricia Donald, from the right on back, had a dual role, playing the Emperor's Mother as well.

## Stubble Burning

**By MALCOLM WELSH**

Persons who have stubble burning permits should be burned promptly. You may not be burned until you have been burned. You may not be burned until you have been burned. You may not be burned until you have been burned.

## County of Vermilion River No. 24 By-Law No. 1424

A BY-LAW concerning the issuing of permits to burn stubble.

WHEREAS it is deemed to be expedient and advisable and in the best interests of said conservation that the Council establish a system of permits for the purpose of controlling the burning of stubble on land within the County of Vermilion River No. 24, and

WHEREAS Section 11 of the Soil Conservation Act (Chapter 84; Statutes of Alberta, 1962) requires a County to establish a system of permits to control the burning of stubble on farm land.

- NOW THEREFORE the Council of the County of Vermilion River No. 24 enact as follows:
- (1) The Council, through its Soil Conservation Officer, may issue a permit for burning stubble on land, provided that the applicant for the permit complies with the requirements of the Soil Conservation Officer acting in accordance with the instructions of the Council or the Agricultural Committee of the County;
  - (2) The said Soil Conservation Officer may issue a permit for the burning of stubble for a period of time within the limits of time as may be established by the Agricultural Committee;
  - (3) The said Soil Conservation Officer may, at his discretion, suspend, renege or revoke any permit issued by him;
  - (4) No person shall burn stubble on any land within the County without first obtaining a permit issued pursuant to this by-law;
  - (5) Any person contravening any of the provisions of this by-law is guilty of an offence and liable to the penalties set forth in the Soil Conservation Act;
  - (6) This by-law comes into force on the day on which it was passed.

DONALD AND PARRISIN to Council the 18th day of December, A.D., 1968.

P. McGUGAN, Reeve  
R. K. KAY, Secretary-Treasurer.

**FROM THE BIG COUNTRY... Alberta**

**LAKELANDS OF ALBERTA**

Once upon a time, it seemed, the first phase of summer was a signal for the Lakelanders to begin their annual migration to the lakes. The Lakelanders are a people who love the outdoors and the beauty of the Canadian West. They are a people who love to spend their summers at the lakes, enjoying the sun, the sand, and the water.

**ISLAY LOCALS**

Mr. Gerald P. Ryan, M.D. L.D.P., Physician and Surgeon, is a member of the Islay Local. He is a man who is dedicated to his work and to his community. He is a man who is always ready to help others.

**FLY KITES SAFELY**

The only safe way to fly kites is to use a kite that is designed for safety. The kite should have a long, thin tail and a small, light-colored body. The kite should be flown in an open area, away from buildings and power lines.

NEWS from DERWENT

Derwent, a small town in the heart of the Canadian prairies, is known for its beautiful scenery and friendly people. The town is home to many families and businesses, and it is a great place to live and work.

Calendar of Events

There are many events taking place in the Derwent area. These include community meetings, sports events, and cultural activities. We encourage everyone to participate and enjoy these events.

Mannville Pioneer Laid To Rest

The remains of a pioneer who lived in Mannville were recently laid to rest. The man was a well-known figure in the community and his death was a great loss. The funeral was held with many people in attendance.

Further news from the Derwent area, including reports on local businesses and community events. The town continues to thrive and grow, with many new developments on the horizon.

More news from the Derwent area, focusing on the lives of the people who live and work there. The community is strong and supportive, and everyone is working together to make a difference.

Additional news from the Derwent area, including updates on local events and projects. The town is proud of its achievements and is looking forward to the future.

Final news from the Derwent area, concluding the section. The town remains a vibrant and active community, and we are proud to be a part of it.

Mission Alliance Sunday School Students

These children from intermediate boys and girls who were the winners of the Mission Alliance Sunday School contest. They were recognized for their excellent performance and dedication to their studies.

Playing With The Pabulum

Let your baby play with his food at mealtimes. This is a common practice that can help with digestion and encourage healthy eating habits. However, it is important to ensure that the food is safe and appropriate for the child's age.

ATHLETES AND SMOKING

Why is smoking considered an undesirable practice for athletes? Smoking can have negative effects on athletic performance, including reduced lung capacity and increased risk of injury. Athletes are encouraged to maintain a healthy lifestyle and avoid smoking.

## GREEN ACRES

By Dennis K. Beaudin, District

Agriculturist, Vermilion, Alberta

Small, common by wind. This spring has been an unusually dry one for us in the area. Soil erosion by wind has been very prevalent and will likely continue as until the new crop emerges to protect the soil. Farmers on the prairie have found this problem in the past and it is usual here with the result of loss of top soil and the consequent increase in wind erosion. It is not only the loss of top soil but also the loss of the valuable nutrients in the soil.

One publication that has been in the Canadian Department of Agriculture gives some very good and detailed information on the causes, damage of, and control of wind erosion. Soil erosion is caused by wind having access to unprotected soil surfaces that are dry, loose and easily eroded. The smaller particles are lifted into the air and carried many miles. Therefore, small areas, once eroded, are hard to replace. The larger particles are rolled along the surface and disintegrated, other particles. (Drifting usually on the surface and rolling on the surface.) Wind erosion is a serious problem in the prairie provinces and is a major cause of soil loss and crop damage. It is a problem that is being fought by the government and by the farmer. A changing system of top soil and a covering system, tillage in the winter, etc.

## NUISANCE GROUNDS

As nuisance grounds provided throughout the County area for the use of residents are being used more frequently now for the deposit of abandoned motor vehicles, we find that the space provided is just not great enough to permit this use. Some other method will have to be found by the public for the disposal of these vehicles as those who have already given up land to be used as nuisance grounds are not willing to pro-

The Council has decided then to restrict the use of these areas by passing by-law No. 963 which states in part "No person shall deposit straw, hay or animal manure or any dead animal or any car body or car frame or truck body or truck box or running gear or

box of any wares or any pieces of formed metal greater in area than four (4) square feet in pits on the property or on any part of the property provided and set aside as a nuisance ground by the County of Vermilion River No. 24 and within the boundaries of said County."

### To The Residents of The Vegreville Federal Constituency

I wish to thank each and every one of you who supported me at the polls on June 25, and elected me to represent you as Member of Parliament for the Vegreville Federal Constituency. I am deeply touched by the faith entrusted in me and in the Progressive Conservative Party, as reflected in the poll results.

I will endeavor, during my term of office, to conduct myself in such a manner as to prove worthy of the faith you have expressed.

May I humbly ask for your continued good wishes and support, to help me through the days of responsibility that lie ahead in order that I may faithfully serve all the people of this constituency.

**NEWS FROM JONES & JACKSON Machinery Ltd.**

We worked hard to make room for the new shipments but we sold more new N.H. Machinery than we did used. So we put our heads together and decided we would cut the prices on the used equipment.

We did go on the fishing trip. That Frank fellow is just as good at fishing as he is at servicing hoes. Vince was a little sleepless and took a can of snarles. Ray took the camera and the above picture is one he took. The big one got away. We know why Marshall is pleasantly plump — the way that guy can cook and eat! We did not neglect our business because our bookkeepers, Mr. Larkins, looked after the office.

### REMEMBER SCHOOL DAYS?

The Vermilion Local A.T.A. is compiling a history of education in what is now the County of Vermilion River, from pioneer days to the present.

We need snapshots of schools, teachers, classes and board members. We need addresses of former teachers now living in other areas.

We would like to study minute books, registers, and all annual statements still in private hands. And we need accounts and business ledgers to help us fill out a readable account.

Can you help us? The following committee members will be glad to hear from you in confidence:

POISON-IVY IS AN  
ITCHY PROBLEM

The itch that follows exposure may be acquired at any time, but the peak of poison-ivy, poison-oak, or poison sumac is in the spring. The poisonous sap may reach directly to the skin, by contact with the plant, or later on by way of handled shoes, clothing, tools or domestic animals.

Fascinating symptoms begin to appear one or two days after contact. Some people are unusually sensitive and few are entirely immune. We have some poison-ivy leaves which usually offer quick relief and we can help you choose a good product. When the eruptions are unusually severe or cover most of the body, consult your physician.

YOUR DOCTOR CAN PREPARE you when you need a medicine. Pick up your prescription & shopping nearby, or we will deliver promptly without extra charge.

## HEALTH UNIT NOTES

**ACTIVITY PREVENTION**  
In terms of the number of accidents which happen, the home is one of the most dangerous places in life. One of the reasons why this should be so is because we all think of home as a place of safety and not as a trap for accidents. In other words, we feel that other people's homes are more dangerous than our own. This is not true. The home is a place where accidents happen most often. To prevent accidents, it is important to be aware of the dangers in the home. Some of the most common accidents in the home are falls, burns, and poisoning. To prevent falls, it is important to keep the floors clean and free of clutter. To prevent burns, it is important to be careful with the stove and the hot water. To prevent poisoning, it is important to keep medicines and chemicals out of the reach of children. By being aware of the dangers in the home and taking steps to prevent accidents, we can make our homes safer places to live.

## News from Clondonald

How can you govern a nation like Canada? This is the question that the late Prime Minister, Sir John G.D. MacGillivray, asked in his book, "The Child Who Makes a Nation". The book is a collection of essays on the history and development of Canada, written by a number of leading Canadian writers. It is a book that every Canadian should read.

Another first trip through the Vermilion River valley was made by Mr. and Mrs. J. MacGillivray, daughter of Mr. and Mrs. J. MacGillivray, who were accompanied by their son, Mr. J. MacGillivray, and their daughter, Mrs. J. MacGillivray.

## U.G.G. Asks For a Two-Price Wheat

Ability of wheat growers to produce a premium for wheat is a question that has been asked by the United Grain Growers (U.G.G.) in its annual report. The report states that the U.G.G. is asking for a two-price wheat, where the premium for wheat is paid for the wheat that is used for human consumption, and the lower price is paid for the wheat that is used for animal feed.

The U.G.G. president also said that the U.G.G. is asking for a two-price wheat, where the premium for wheat is paid for the wheat that is used for human consumption, and the lower price is paid for the wheat that is used for animal feed.

### QUITE UNBELIEVABLE

It is probable that the unbelievable pictures of the starving victims of the war in Northern Burma have encouraged us to give some thought to those unfortunate victims. Many have asked how they could help. They can do it now by giving to the **Nurses' British Red Fund of Canada**.

The growing concern of Canadians over the sad and bewildering situation facing millions of men, women and children has prompted Canadian churches and voluntary agencies with co-national obligations to launch a national appeal for funds.

This is a unique appeal as it brings together the Canadian Catholic Organization for Education and Peace, the Canadian Council of Churches, the Canadian Red Cross Society, the Canadian Nurses' Association, the Canadian Y.M.C.A. Committee and the Y.W.C.A. of Canada.

The major portion of the fund receipts will be distributed among the International Committee of the Red Cross, the World Council of Churches, and Caritas Internationalis, the relief agency of the Roman Catholic Church. Recipient societies will go to the front voluntary relief agencies to support their activities in Northern Burma.

For the first time in modern history the population of an entire nation faces extermination by famine and war. Millions of men, women and children are starving and lagged by disease. Hundreds, possibly, thousands, are dying every day.

Now is the time for every Canadian to come forward and show that we care and can't let it happen.

Donors are being asked to give their dollars to their church, through the participating voluntary agency, at any branch of "Canada's" churches, or directly to the **Nurses' British Red Fund of Canada**, Toronto, 1, Ontario.

### Postal Strike Affects

The business of the nation postal strike may discourage some of the provincial governments from giving their civil servants the right to strike. In the United States the postal strike has been a major factor in the decision of the government of New Brunswick, Nova Scotia, and Manitoba and Alberta are studying the question. The Province of Ontario is likely to put a damper on such proposals.

# CRAIG'S FOOD FAIR—

**SID HURDETT**  
MANAGER CRAIG FOOD FAIR

Mr. Hurdett arrived in Canada in 1957 after appearing in the great and wonderful variety business in England. With the exception of 3 1/2 years of service he has spent the past 41 years serving the public in the retail grocery trade. Although remarkable changes have taken place in retailing, Mr. Hurdett has kept pace with same and is currently efficiently managing Craig's Food Fair.

He is particularly proud of his fast and courteous staff and is always striving to provide customers with quality merchandise at lowest possible prices.

Finally we are pleased to announce that we now have one of the widest selections of "Dietetic Foods" in North-Eastern Alberta.

## Shades of Orange Accent August Wedding

A pretty wedding was solemnized at Holy Trinity Parish when Mary Williams became the bride of James Leahy on August 17th, 1968. The bride attended the wedding in a gown of white tulle with a long train. Her hair was styled in a classic updo. The groom wore a tuxedo with a white shirt and a red tie. The ceremony was officiated by Rev. Fr. [Name]. The wedding was a beautiful celebration of love and commitment.

## Health Unit Notes

North America is not thought of as a healthy land. In fact, it is one of the least healthy in the world. The reason for this is that we have a high incidence of chronic diseases. These diseases are caused by a combination of factors, including poor diet, lack of exercise, and stress. It is important to take steps to improve our health. This can be done by eating a healthy diet, getting regular exercise, and managing stress. The Health Unit provides information and resources to help you do this.

## Bassano Family Lone Winner of Farm Award

(Lower left) The only winners of the Alberta Master Farm Family Award for 1968, the Arthur Arison family of Bassano. Seated left to right: Arthur Arison, daughter of Bassano. Seated right to left: Arthur Arison, daughter of Bassano. Standing: son Wayne. (Upper left) (all) and wife Helen. Standing: son Wayne. (Upper right) Extensive use of trees around the attractive home make the Arison farmstead a distinctive landmark in a virtually treeless area. (Upper right) Arthur Arison and his son discuss the record-breaking system which has contributed so much to their farming success. (Lower right) Although daughter Gail is now married and attends Mount Royal College in Calgary, she still finds time to take an interest in farm and family affairs, and to assist her mother in the kitchen.

These aren't labels. They're awards.

Whenver Molson won't award the coveted Molson label to any bottle until he's sure it's earned it. And he should know; he's the brilliant Brewmaster who developed a better way to brew beer.

Here, in North America's first complete Stouts and Beers, every bottle is meticulously brewed to consistently great service.

Only when the beer is just as it should be does Brewmaster Stouts award his seal of approval. The Molson label.

## Master Farm Family Award For 1968

The Arthur Arison family of Bassano has been named the only winner of the Alberta Master Farm Family Award for 1968. The award was presented by the Minister of Agriculture, Mr. J. A. Macdonald, at a ceremony in the Legislature on Wednesday, October 9th.

The Arison family, Arthur and Helen, have a 100-acre farmstead in the heart of the Red Deer River valley. The farmstead is a masterpiece of planning and execution, and is a true reflection of the family's dedication to farming and to the community.

The Arison family's success is a result of their hard work and dedication to their farm and to the community. They have been a source of pride and inspiration for many years.

**Count the flyers on our label.**

Let's see. Two in the top and another three on the front petals. That's five fly flyers. All this plus a speeding express train, a racing airplane and a head-up Hummer. What's everybody's hurry? Heaven knows, in Littleburg we take our own sweet time brewing the beer behind that lively label. Then we age it slowly and naturally. For a favour that goes our great.

**"Newstart" Program Commences November**

Alberta Newstart, a massive social service program for the unemployed, will begin in November. Laid-off workers in the province will be helped by the program, which is a joint effort of the federal government and the province. The program will provide financial assistance, job training, and other services to help laid-off workers get back on their feet. The program is expected to help thousands of Albertans who are currently unemployed.

## "Target 35" A Big Success

The President of the Farmers' Union of Alberta has predicted "Target 35" the organization's membership drive for 1968 will be a successful one.

The F.U.A.'s goal of 35,000 members will be surpassed, said Paul Hickey, as he reviewed returns received at last office in Edmonton.

With approximately one-third of the members reported as of Saturday morning, Hickey said that 13,000 memberships have been reported. Hickey said he considered the number of new members a reflection of growing interest in the organization.

The F.U.A. president said reports will continue to come in for several days as the campaign continues.

"Good weather has helped that," Hickey said, "but we're not relying on weather. We're relying on the fact that we're a better organization than we've ever been, and we're going to show it."

## INFORMATION

that may be of interest to you

By-Law No. 1267 as amended provides that no building, shelter belt, farm dugout, camp or disposal field shall be constructed or placed closer than 200 feet from the center line of any public road under County Jurisdiction. This restriction does not apply in Hamlets and subdivisions within the County.

Provision is made for the removal of any works placed in contravention of this by-law, at the expense of the owner.

This circumstance should be taken into consideration when planning the improvement of farm property.

**PLAN NOW FOR A HEALTHY CHRISTMAS**

This year, before you select gifts for your relatives and friends, be just a little selfish and get a gift for yourself first. Go to your physician and trust yourself to a complete check-up.

It is a wonderful feeling when the physician gives you a "good report." And you do not feel just a little better, you feel like a new man. You feel like you are ready to take on the world. For, health check-ups are taken to uncover little problems before they become big ones. You can have a healthier and therefore happier Christmas.

### Mannville Students Compete in Cross Country Race

## Complete in Cross Country Race

**MANNVILLE** On October 8th several students from Mannville entered the North-East Alberta Zone cross-country meet held in Vermilion. Two girls, Susan Bretz and Dianne Puly, finished in the top ten.

On October 19th Susan and Lianne joined over sixty other girls

from all over Alberta to run in the province's first provincial cross-country meet, held in Rimbey. Each zone was to enter ten runners with only the first four finishers for each zone counting in the final standings. Susan Betz came in fourth and Dianne Pulyk placed sixth in their zone. The North Eastern Zone finished fourth in the overall standings.

Considering that Susan is 10th grade student and Dianne an 8th grade student, these young ladies should be congratulated.

for their fine effort.

The Mannville senior High School boys' volleyball team, headed the North Eastern Alberta Zone tournament held on Saturday Nov. 16th at Cold Lake. Here they defeated teams from Grand Centre and Lamont but were defeated in the semifinal by a team from Grande Prairie. They will now play for consolation.

Members of the Marquette

Senior High School volleyball team at the home of Wayne Morris. Kenney, Murray, Robb, Wright, Lee, Kean, Arnold, Under, Dwight, Hill, Jones, Nichols, Lee, Kean, and Art, coached by Coach Kean, are extended to these boys and Mr. Arnold, their coach on the fine showing made.

### Sub-Local A.T.A. Plans Demanded

MANNVILLE. On Nov. 25th a meeting of the Mannville Junior Buffalo Council A.T.A. sub-local was held at Buffalo Coulee School with President Tom Duran in the chair.

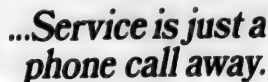

Mr. Duran reported that the Grade IX pingpong, according to the regulations of the A.T.A., would be presented to Douglas Woodward on Awards Day.

The Local A.T.A. sub-local will be held in Vegreville on Jan. 5. A sub-local banquet will be held at Buffalo Coulee on Jan. 11. The banquet committee being Mr. Walsh, Mr. Hsiao, Mr. Duran, Mr. Housler and Mr. Hsiao.

The sub-local and the banquet council are in agreement on the idea of nominating a teacher to teach overseas.

Teachers of the County of Vermilion River have widened their qualifications during the past year and the following were awarded degrees at F&R Conventions:

The attended public school at Croyton, Wash., and high school at the Western Christian College in Weyburn, Wash. He earned Teachers' College in Saskatoon in 1963, attended University of four years in his B.A. and M.Ed. Degree.

*Joy to the World...* Let every heart rejoice... for

*Joy to the World...* Let every heart rejoice . . . for Christ is born in Bethlehem and the glory of His message shines forever, shines anew. Even as shepherds and wise men came to worship and be glad, so may each of us return in spirit to the sacred manger, there to find the peace and promise, the hope and happiness of the first Christmas. May the miracle of His birth and the wonder of His presence ever be our blessing and inspiration. And may this Christmas truly be, for you and yours, a season rich in joy and deep contentment.

## Carols Express Yule Joy, Echoing Across the Ages

Voices rise in songs of joy and praise. As the yuletide season comes, the vibrant sound of carols is heard in churches, in family gatherings, in groups singing from house to house to celebrate with song.

Carols are much a part of the Yuletide as the tree, gifts and Santa himself.

It all began with the first carol in the 11th century, says the Encyclopaedia Americana.

The earliest English carols were composed anonymously by peasants, to everyone or court musicians. Simple tunes, these early carols were characterized and the musical form evolved a refrain to repeat before and after each verse.

Carols were written, generally, in the English vernacular, or in "marginal" forms, a combination of English and Latin.

The first printed collection of carols appeared in 1521. It included the "Hark! Hark! Carol," still sung during Christmas Eve at Queen's College, Oxford, England.

Even then, the practice of passing on carols by word of mouth to recreation, continued. And the carols were called in ballad form, early as 1549. "Threefold and the Christmas Carol," says the Encyclopaedia.

Carols were sung in the 17th century and early of singing was forbidden by the English Puritans. Those who violated America carried this disregard with them.

After the Restoration, in 1660, carols were once again permitted and the custom slowly revived.

Some of the most popular carols date from the 18th and 19th centuries. These include "Adeste Fideles," possibly by Francis Wade; "Hark! The Herald Angels Sing," with words by Charles Wesley and music by Philip Mendelssohn; "Joy to the World," with words by Isaac Watts, music by George Frederick Handel.

Probably the most popular of all carols is the 14th century "Silent Night," with words by Joseph Mohr, the village priest of Hallein, Austria.

Many stories are told about the way this carol came to be written. One legend says that in 1818, Father Mohr went to visit the newborn baby of a poor parishioner.

On that night he was so inspired by the beauty of the mother and child that he wrote the poem "Silent Night."

ESTABLISHING CRIB

Though legend says that Francis Mohr first introduced the Christmas crib in the 18th century, history records that the first manger scene was created by Pope Liberius in 384 A.D.

"MILE KALIMAKA" - Writing "Mile Kalimaka," the traditional way to say "Merry Christmas" in Icelandic.
